

## LHC Regathering Procedures in the Green Phase

### **A. Approach to Regathering:**

1. **Fellowship & Worship:** As followers of Jesus, we prioritize the regular gathering of believers for fellowship, worship, and the Word. We are eager to gather with as many people as possible, as soon as possible, as safely as possible.
2. **Unity & Humility:** There are a wide-range of strongly held convictions about the coronavirus pandemic and how individuals, businesses, governments, and churches should respond. As followers of Jesus, we are called to walk in humility, grace, love, and unity with one another. We seek to outdo one another in showing honor. Consider this wise article: [Church, Don't Let Coronavirus Divide You](#).
3. **Health & Safety:** As Christians, we want to do all that we reasonably can to value and protect the vulnerable in our community. We honor and reflect Jesus when we sacrifice our own needs for the needs of others. We pray for peace and safety in God's world.
4. **Respecting Guidelines:** The elders and deacons are mindful of the [Plan to Reopen PA in the Green Phase](#) and the exception for religious gatherings specified under the [Guidance for Businesses](#). We have also taken into consideration the [CDC Guidance for Faith-Based Organizations](#). We pray God would grant wisdom to our leaders.
5. **Community Witness:** We are called to be a light to the world around us, so we want to live and gather in such a way that our attitudes and actions display faith, grace, humility, courage, and love to the world.

### **B. Worship Gatherings at the Y**

1. **Congregation Size:** In the Green Phase, we will begin gathering with 100 people (about 50% of our normal attendance). The elders and deacons will continue to monitor the government recommendations, the community response, and our church needs and increase the number of people at these gatherings when godly wisdom will allow us.
2. **Livestreaming:** Those at home will be able to join the worship service through the online livestream for the foreseeable future. For those at home, please know you are a valuable part of our church family and we miss you!
3. **Online Sign-up:** We'll have an online sign-up sheet for those interested in coming to a Worship Gathering at the Y. As part of your online sign-up, you'll be asked to affirm the procedures laid out here. If signups exceed our capacity, we'll set up a bi-weekly rotation.
4. **Children's Ministry:** As always, children are welcome in our main worship service. In July-August, we will offer modified children's classes for nursery through grade 3. These classes will be expanded at the end of August. For specific details, refer to the Children's Ministry Regathering Plan.

### C. Facility Sanitation

1. **YMCA Cleaning:** In the Green Phase, the Y will be operating as a Day Camp and a Wellness Center at 50% occupancy. The Y will continue to take care of overall facility cleaning and professional custodial services.
2. **LHC Cleaning:** Each week before we gather, a Hospitality Volunteer will clean all high touch areas (doorknobs, counters, backs of chairs, bathroom sinks, flush handles, etc.). These areas will be cleaned again during service and after everyone has left the facility.
3. **Infection Response:** Following the [CDC Guidance for Faith-Based Organizations](#), if there is a confirmed COVID case at any Church Gathering, we will:
  - a. Notify local health officials and the YMCA and follow their recommendations about facility closures or limited access.
  - b. Ensure that the facility is thoroughly disinfected in partnership with the YMCA.
  - c. Communicate with the congregation and offer alternative forms of gathering as needed.

### D. Physical Distancing & Personal Sanitation Expectations

1. **Exposure & Discretion:** Consider your personal and family health and use discretion in attending any Church Gathering. Those at high-risk due to age or preexisting conditions should exercise caution. If anyone in your household has a fever, any coronavirus symptoms, or an unprotected exposure to a confirmed COVID-19 case, you should not attend any Church Gathering for two weeks. If someone in your household displays symptoms after you have signed up to attend, please notify the church office that you will not be attending.
2. **Physical Distance:** Avoid physical contact and maintain a respectful distance from other worshippers. Signs will be posted as reminders. Rows of chairs will be spaced out to allow for wider aisles. Sit in family groups spaced out from others worshippers (with 4 chairs between groups). Parents are responsible to keep their children abiding by these recommendations.
3. **Facility Usage:** All doors will be propped open whenever possible. Do not go in any rooms or touch surfaces that are not necessary. Do not touch the YMCA equipment or camp supplies.
4. **Hand Washing & Sanitation:** Wash your hands and/or use hand sanitizer frequently. There are multiple hand-sanitizing stations throughout the Y.
5. **Food & Drink:** We will not be providing coffee or food. The water fountain will not be accessible. Bring your own water bottle and coffee...and don't forget to take it home!
6. **Fellowship Time:** Before and after the service, be mindful to maintain a respectful distance as you fellowship in the Worship Center, common areas, or outside.

7. **Face Coverings:** In consideration of the [CDC Recommendations for Cloth Face Coverings](#), all those in attendance (except small children) should consider wearing a face covering when appropriate physical distancing is difficult to maintain. Use discretion and consider the needs of others.

## **E. Other Ministry Gatherings**

1. **Ministry Gatherings:** Opportunities for fellowship and ministry will be available through Life Groups, Youth Group, Men's Ministry, and Women's Ministry. These meetings will be outside when feasible or inside when discretion allows. Small group gathering can be held in homes at the homeowner's discretion.
2. **Outdoor Services:** We will host opportunities for outdoor worship, fellowship, and communion at the YMCA pavilion or local parks. Keep an eye out for upcoming events.
3. **Exposure & Discretion:** Consider your personal and family health and use discretion in attending any Church Gathering. Those at high-risk due to age or preexisting conditions should exercise caution. If anyone in your household has a fever, any coronavirus symptoms, or an unprotected exposure to a confirmed COVID-19 case, you should not attend any Church Gathering for two weeks.
