

The Church Center App is a wonderful resource that allows you to explore what is going on and get involved with Living Hope Church throughout the week. You can watch services, view a calendar of upcoming activities, register for events, give (or view your giving statements), and pre-check children into their classes (starting at 8am on Sundays). Visitors can fill out a Connection Card so we can follow-up with you and help answer any questions you may have. Active and Committed Participants can access the Directory to connect with others in the church throughout the week. Ministry Workers can set block out dates, view their upcoming schedule, and email their team leader right from the app. Please use the QR code to download the app, it should take you directly to our Living Hope page.

If you prefer to access all of this information on a web browser instead of an app, you can visit Church Center on the Web and access the same information.

If you have any questions or need more information, please contact Amanda Krug at [ministry@findlivinghope.com](mailto:ministry@findlivinghope.com).
