The Church Center App is a wonderful resource that allows you to explore what is going on and get involved with Living Hope Church throughout the week. You can watch services, view a calendar of upcoming activities, register for events, give and view your giving statement, and pre-check children into their classes (starting at 8am on Sundays). Visitors can fill out a Connection Card so we can follow-up with you and answer questions. People connected to the church can be given access to the Directory of contact info. Ministry Workers can use another app called Services to set block-out dates, view their upcoming schedule, and email their team leader right from the app. Use the QR code to download the app or search in your app store.

If you are a new or growing believer, you may have wondered what you should be doing as a follower of Christ. How do I grow in my faith? What does it look like practically? This seminar NEXT Sunday, October 13 from 4-6pm at the Ministry Center will aim to simplify the path of daily following Jesus. Register online!

FINDING HOPE IN THE LIVING GOD

OCTOBER 6, 2024

"And you, who were dead in your trespasses and the uncircumcision of your flesh, God made alive together with him, having forgiven us all our trespasses, by canceling the record of debt that stood against us with its legal demands. This he set aside, nailing it to the cross."
