

## MISSIONS SPOTLIGHT

Source of Life Ministries strives to provide a safe and loving environment for impoverished children rescued from the streets of Haiti's capital city and suburbs. By providing a Christ-centered spiritual foundation, a good education, emotional support, life-sustaining food and modern conveniences in a comfortable home, it is the goal of this ministry to raise these children with a heart for their country and its people. Through the development of life skills, compassion, and a drive to enact change, these children can grow to make a positive impact on the future of their nation.

For more information, please speak with Jacques Merine, the founder and director, after today's service, visit their website or find them on Facebook.
